silence of the lambs pdf: The Story Grid Shawn Coyne, 2015-05-02 WHAT IS THE STORY GRID? The Story Grid is a tool developed by editor Shawn Coyne to analyze stories and provide helpful editorial comments. It's like a CT Scan that takes a photo of the global story and tells the editor or writer what is working, what is not, and what must be done to make what works better and

fix what's not. The Story Grid breaks down the component parts of stories to identify the problems. And finding the problems in a story is almost as difficult as the writing of the story itself (maybe even more difficult). The Story Grid is a tool with many applications: 1. It will tell a writer if a Story ?works? or ?doesn't work. 2. It pinpoints story problems but does not emotionally abuse the writer, revealing exactly where a Story (not the person creating the Story'the Story) has failed. 3. It will tell the writer the specific work necessary to fix that Story's problems. 4. It is a tool to re-envision and resuscitate a seemingly irredeemable pile of paper stuck in an attic drawer. 5. It is a tool that can inspire an original creation.

silence of the lambs pdf: *Upward Mobility and the Common Good* Bruce Robbins, 2009-12-21 We think we know what upward mobility stories are about--virtuous striving justly rewarded, or unprincipled social climbing regrettably unpunished. Either way, these stories seem obviously concerned with the self-making of self-reliant individuals rather than with any collective interest. In *Upward Mobility and the Common Good*, Bruce Robbins completely overturns these assumptions to expose a hidden tradition of erotic social interdependence at the heart of the literary canon. Reinterpreting novels by figures such as Balzac, Stendhal, Charlotte Brontë, Dickens, Dreiser, Wells, Doctorow, and Ishiguro, along with a number of films, Robbins shows how deeply the material and erotic desires of upwardly mobile characters are intertwined with the aid they receive from some sort of benefactor or mentor. In his view, Hannibal Lecter of *The Silence of the Lambs* becomes a key figure of social mobility in our time. Robbins argues that passionate and ambiguous relationships (like that between Lecter and Clarice Starling) carry the upward mobility story far from anyone's simple self-interest, whether the protagonist's or the mentor's. Robbins concludes that upward mobility stories have paradoxically helped American and European society make the transition from an ethic of individual responsibility to one of collective accountability, a shift that made the welfare state possible, but that also helps account for society's fascination with cases of sexual abuse and harassment by figures of authority.

Bradshaw, Jr., Former Dean, Dale Carnegie Institute of Effective Speaking & Human Relations "I have read almost every book that has ever been written on salesmanship, but I think Og Mandino has captured all of them in *The Greatest Salesman in the World*. Hensley, President, Life Insurance Co. of Kentucky

silence of the lambs pdf: The Poisonwood Bible Barbara Kingsolver, 2009-10-13 New York Times Bestseller • Finalist for the Pulitzer Prize • An Oprah's Book Club Selection "Powerful . . . [Kingsolver] has with infinitely steady hands worked the prickly threads of religion, politics, race, sin and redemption into a thing of terrible beauty." —Los Angeles Times Book Review *The Poisonwood Bible*, now celebrating its 25th anniversary, established Barbara Kingsolver as one of the most thoughtful and daring of modern writers. Taking its place alongside the classic works of postcolonial literature, it is a suspenseful epic of one family's tragic undoing and remarkable reconstruction over the course of three decades in Africa. The story is told by the wife and four daughters of Nathan Price, a fierce, evangelical Baptist who takes his family and mission to the Belgian Congo in 1959. They carry with them everything they believe they will need from home, but soon find that all of

it—from garden seeds to Scripture—is calamitously transformed on African soil. The novel is set against one of the most dramatic political chronicles of the twentieth century: the Congo's fight for independence from Belgium, the murder of its first elected prime minister, the CIA coup to install his replacement, and the insidious progress of a world economic order that robs the fledgling African nation of its autonomy. Against this backdrop, Orleanna Price reconstructs the story of her evangelist husband's part in the Western assault on Africa, a tale indelibly darkened by her own losses and unanswerable questions about her own culpability. Also narrating the story, by turns, are her four daughters—the teenaged Rachel; adolescent twins Leah and Adah; and Ruth May, a prescient five-year-old. These sharply observant girls, who arrive in the Congo with racial preconceptions forged in 1950s Georgia, will be marked in surprisingly different ways by their father's intractable mission, and by Africa itself. Ultimately each must strike her own separate path to salvation. Their passionately intertwined stories become a compelling exploration of moral risk and personal responsibility.

silence of the lambs pdf: Muhammad Martin Lings, 1991 Acclaimed worldwide as the definitive biography of the Prophet Muhammad in the English language, Martin Lings' Muhammad: His Life Based to the Earliest Sources is unlike any other. Based on Arabic sources of the eighth and ninth centuries, of which some important passages are translated here for the first time, it owes the freshness and directness of its approach to the words of men and women who heard Muhammad speak and witnessed the events of his life. Martin Lings has an unusual gift for narrative. He has adopted a style which is at once extremely readable and reflects both the simplicity and grandeur of the story. The result is a book which will be read with equal enjoyment by those already familiar with Muhammad's life and those coming to it for the first time. Muhammad: His Life Based to the Earliest Sources was given an award by the government of Pakistan, and selected as the best biography of the Prophet in English at the National Seerat Conference in Islamabad in 1983.
