**deliverance and spiritual warfare manual pdf: The Discerning of Spirits** Frank Hammond, 2014-11-17 The gift of discerning of spirits is a powerful weapon in the Christian's arsenal! When God calls us into ministry, He equips us. God has called all of us into spiritual warfare and spiritual battle. His Church will be a militant Church, and the gates of hell shall not prevail against her. The weapons God supplies us with are not carnal or fleshly weapons, but spiritual ones, they are mighty through God to the pulling down of strong holds. We are equipped by God for spiritual warfare through the gifts of the Holy Spirit mentioned in 1 Corinthians 12. God has said that these are the channels through which His power will flow, the avenues through which His Holy Spirit will operate. Chief among these gifts for the ministry of deliverance is the gift of discerning of spirits. We must rely upon the Holy Spirit for the ministry of deliverance and nothing else, not the arm of the flesh or the voice of demons. Frank Hammond explains the application of this gift to the believer, and provides examples of how it has worked in his own ministry. He concludes with a prayer of impartation for the reader to receive this gift and the gifts of knowledge, wisdom and faith.

**deliverance and spiritual warfare manual pdf:** *Understanding Spiritual Warfare* Sam Storms, 2021-04-27 A comprehensive, theological guide to everything the Bible has to say about spiritual warfare. Many Christians today are unaware or skeptical of the reality of Satan and the role he and his demonic hordes seek to exert on our lives. But if we're to take Scripture seriously, we can't overlook the biblical assertions about the spiritual battles between the kingdom of God and the kingdom of the devil. The truth is that believers in Jesus are certain to encounter men and women of all ages who are oppressed, tormented, and tempted by demonic powers. In *Understanding Spiritual Warfare*, theologian and professor Sam Storms confronts the reality of the spiritual conflict in our midst, the threat of the demonic, and how we, as Christians, can respond to such a threat in our own lives and in the lives of others. Storms explains the biblical teaching on spiritual warfare and shares numerous personal accounts of victories over the demonic, answering question like: Who is Satan and his demons, and how do they act? Moody BeDelivered.com Gene.Moody@BeDelivered.com This is the testimony of my family: Earline, my wife; Marie, my daughter; and Byron, my son. We were married in 1955 by Dr. Lee Roberson, who had a practice of not marrying anyone who was not a Christian. Little did we realize then what a difference it makes for both spouses to be Christians and for God to control your family. We give God the credit for our successful marriage of 43 years. We were average Christians who never had really done anything very bad or very good. Although I had held most of the positions in the church, there was not much

love in my heart for others. Nor did we see much love in the many churches we attended as I moved around the United States following the engineering profession. Worship services were more of a formality. Earline had a number of miscarriages. Thyroid and parathyroid were completely removed as a teenager. The doctors said that we could not have any children. Earline began praying, and in 1960 God rewarded us with a beautiful boy we named Byron. Two years later, God gave us a beautiful baby girl we named Marie. They were all the children we could have because of Earline's health. We went to traditional churches. They did not teach us about the miracle-working God. We did not see the miracles of God for twenty years. After several medical checkups culminating in a \$500.00 one in 1973, it was conclusively proven that Earline had no thyroid or parathyroid. According to the doctors, she could not be alive, but was doing fine at 40 years of age. We later recognized that our children were medical miracles. We had a near perfect family for 12 1/2 years, then tragedy struck. Byron climbed a tree and touched a 4000-volt power line and fell 50 feet. We really began to see God at work in our lives. I would like for Earline to tell what happened. We still don't understand why it had to happen or what all God has done for us. On May 22, 1973, my world came to a crushing halt! As the children played, two neighbors came over to join me for tea. The children came in for cookies and went out again. Byron stood by my chair, his arm on my shoulder, gave me a little hug and said some day he would climb a tree to the very top. Turned, on the run, and said, You're a nice mom, went out the door and climbed a tall cottonwood. Soon, one of the children said that Byron had fallen out of the tree. One look at Byron and I knew only God could help him. Marie and I began to pray as never before. Nothing in my life had prepared me for this moment. No faith in God rose to meet this crisis. On the way to the hospital, we became sure that God didn't love us or He would never have let this happen. Having nothing else to cling to, we clung to God anyway and Psalm 50:15. At the hospital, I accused God of not living, not caring, not being. He so lovingly said, I love you, Gene and Marie, more than you love each other, more than you love yourselves. I love Byron more than you do. I couldn't believe Him. I told God if He didn't do something to prove He loved us and that Byron was in Heaven, I would kill them and myself. I told Him if Byron was not in Heaven I didn't want any part of it either. With all this fussing at God, I could only feel love coming to me. He said, All things are His including the tree, the power line and all the earth according to Psalm 50:10-12. I heard myself telling Satan to remove death from Byron in the name of Jesus. Byron lived on as a miracle. I didn't know this was possible (rebuking Satan in Jesus' name). After Gene arrived, I told all God had said. We could not believe that God really was talking. We didn't know He talked today. As we prayed together, God assured us of His love and His everlasting knowledge.
