According to the counselor and ministry leader Michael John Cusick, the answer is no--but the big truth may be much more freeing. **experiencing god workbook pdf: Jesus, Continued...** J.D. Greear, 2014-11-04 Encounter the dynamic presence of God as you learn from pastor and author J. D. Greear how to more fully experience the Holy Spirit within you. Jesus gave his disciples the audacious promise that the Spirit he would send to live inside them would be even better than if he himself remained beside them. Yet how many of us consider our connection to the Holy Spirit so strong that we would call his presence in us better than Jesus himself walking by our side? J. D. Greear was the pastor of a rapidly growing church who still felt like he didn't know how to relate to God personally. Though he knew a lot about God, he wasn't as sure about how to walk with God. Furthermore, he felt overwhelmed by the size of the mission Jesus had left for his church. In a world of so much need, what difference could he possibly make? Learning how God dwells in us and empowers us in the Holy Spirit redefined his life and ministry. Ministry became less about working for God and more about letting God work through him. Drudgery was replaced by delight; helplessness was replaced by empowerment. In *Jesus, Continued...* Greear explores--in clear and practical language--questions such as: What does it mean to have a relationship with the Holy Spirit? How can we tell when the Spirit is speaking to us? What do you do when God feels absent? If you are longing to know God in a vibrant way, *Jesus, Continued...* has good news for you: That's exactly what God wants for you too. His Spirit stands ready to guide you, empower you, and use you.

Allender, PhD, author of *Bold Love* This new edition includes an expanded chapter on using the practical prayer cards--a hallmark of the teaching found in *A Praying Life*--and a chapter on the need and use of prayers of lament. Based on the popular seminar by the same name, *A Praying Life* has discipled thousands of Christians to a vibrant prayer life full of joy and power. When Jesus describes the intimacy He seeks with us, He talks about joining us for dinner (Revelation 3:20). *A Praying Life* feels like having dinner with good friends. It is the way we experience and connect to God. In *A Praying Life*, author Paul Miller lays out a pattern for living in relationship with God and includes helpful habits and approaches to prayer that enable us to return to a childlike faith.

**experiencing god workbook pdf: *Fathered by God*** John Eldredge, 2009-04-20 In an age when fathers are more important than ever, how do you embark on your journey to manhood and know how to steer clear of the dangers along the way? In *Fathered by God*, New York Times bestselling

author John Eldredge reminds us that there's a path to masculinity and, best of all, there's a loving Father ready to help us follow it. In *Fathered by God*, Eldredge calls men back to a simple and reassuring truth: God is our Father, and he wants to show us what masculinity really means. Eldredge teaches us that there's a path leading to authentic manhood, cut by generation after generation of men. There are perils along the trail, even disasters--all the more reason to rely on the guidance of a Father who has gone before us. A boy has a lot to learn in his journey to becoming a man, and it takes the active intervention of father figures and the fellowship of other men to guide us along the way. Eldredge shares that in all of life's trials and triumphs, God is initiating boys and men through the stages of manhood. Through personal stories and practical guidance, Eldredge provides a map through the six stages of a man's journey and answers some of the most common questions about manhood that he's received over the years, including: How can I set a good example for my son? What does the Bible teach us about masculinity? How can I become the man that God designed me to be? *Fathered by God* maps out the path of manhood--not more rules, not another list of principles, not formulas, but a well-worn path that men have followed for centuries before us. Discover the truth about masculinity and become the man that God sees in you.

Roxburgh, these conversations still prioritize church success over mission--how can being missional grow my church? But to focus on such questions misses the point. In *Missional*, Roxburgh calls Christians to reenter their neighborhoods and communities to discover what the Spirit is doing there--to start with God's mission. He then encourages readers to shape their local churches around that mission. With inspiring true stories and a solid biblical base, *Missional* is a book that will change lives and communities as its message is lived out.
